You've finished a novel. Now what? Self-editing can be daunting. But it doesn't have to be. From plural possessives to tense, voice, and point of view, 'Wild Wanda' has helped the exclusive authors of Crazy Ink Publishing, LLC polish up those final manuscripts and get them in tip-top shape for

submission for two years. With a career devoted to teaching English, writing, and business, and holding a master's degree in creative writing, Rita Delude (otherwise known as Wanda Sterling from her bestselling *Catch. net* and *Caught in the Middle* novels) is ready to open up her tips and tricks to you! This easy to read and understand editing self-help guide makes those final manuscript touch-ups a breeze. It includes more than 100 ways to polish your words. With clear examples of what NOT to do, it takes the guess work out of writing. If you are an author who loves the story creating but is intimidated by the draft work, Wanda's got your back. Join her in Wednesdays with Wanda, where she makes editing fun and easy! Want to support a writer and don't know how? This guide also makes a great gift for the authors in your life. All proceeds from the sale of this book will go toward Crazy Ink's list run box set – *Possessed by Passion!* This set features Rita Delude's *Driven by Desire*, a paranormal romance.
